## CONFIRMATION NAME FORM

### Choosing Your Confirmation Name

When you are confirmed, you have the option of choosing a "Confirmation Name." If you decide to choose one, it must be the name of a Catholic saint, an Old Testament saint, or a Christian virtue. Your Confirmation name may also be your baptismal name.

A Confirmation name is chosen for the following reasons:

1. A name change is symbolic of a change in your life/a key moment in your spiritual growth that brings you closer to God.
2. The saint whose name you choose is someone who is a role model of living out the faith for you. You choose this name because something about the the life of this saint inspires you. The saint then becomes a role model for you in the manner in which you follow Christ. For example, someone who feels close to God when they are in nature may be inspired by the life of St. Francis.
3. When you choose a saint's name, that saint is also a patron saint for you. This means that you will ask for their intercession (prayers for you) as an aid in following Christ.

List the name of the saint you have chosen & 3 or more facts about him/her.

What do you admire about this saint? Why did you choose this name?
