

Photograph Waiver

I hereby authorize Saint Joseph Catholic Community to take photographs and video recordings of my Child in connection with my Child's participation in the Program Events. I acknowledge and agree that photographs or videos of participants in the Program, including my Child, may be used and published for educational and promotional purposes, including, for example, such purposes as publications, website or social media content, or other print or electronic materials produced from time to time by SJCC. (Participants will not be identified by name, however, without specific written consent.)

I agree that if I do not wish my Child to be photographed or videotaped, I will notify the Faith Formation Office via [email](#). I understand that the Parish and the Archdiocese have no control over the use of photographs or film taken by media that may cover the Program in which my Child participates.
