From the Desk of Our Pastor

Holy Trinity

The disciples were not trained, theologians. They were God-fearing, Jewish monotheists who were, like many of their time, looking for their Messiah as promised by the prophets. As such, they entered fully into the Jewish religious life, culture, and worship. Their God, who gave to the Hebrew race His name "Yahweh," was both creator, God above and beyond the heavens and earth, but was yet still relational, and even made a covenant with them, something unheard of among the nations around them.

The shocking thing to them and everyone else is that they experienced Jesus as both Messiah and Yahweh. He made this claim for Himself and proved it by His power over nature and the spirit realm, culminating with His redemptive death, resurrection, and ascension. At the same time, He taught them to pray to His Father in Heaven as He Himself did. He always drew them to the Father. So, they experienced God-YHWH as both Father and Son, distinct Persons, yet one, not as two separate divinities.

Jesus made it clear that all his power came from the Holy Spirit. This same Holy Spirit was "poured out" upon them and the Church at Pentecost, empowering us to live supernaturally like Jesus. It is by the power of the Holy Spirit that the Church is sustained and grows. This Holy Spirit is distinct from Jesus, but nevertheless, the "Spirit of Jesus," divine, sent from the Father and the Son to believers. Therefore, the first believers experienced God as "Holy Spirit" as well.

The disciples and first-generation believers did not need a vocabulary to explain the complexity of the mystery before them. All they knew was what they experienced and what was revealed to them by the indwelling Holy Spirit of Christ in their Hebrew Scriptures and Prophets. They worshipped Christ as God and were baptized in the name of the Father, the Son, and the Holy Spirit.

And so it is with us: we experience God as Trinity. Our worship at Mass is thoroughly Trinitarian. Through the power of the Holy Spirit, the Body and Blood of Jesus is consecrated, offered to the Father through the priest acting in the person of Christ. This Eucharist is then given to us, allowing us to participate in this trinitarian relationship.

It is easy to get lost in the complexities of Trinitarian theological discussion. Our point here is that we enter its mysteries relationally in our worship; our precious doctrine of the Trinity is the very language of love itself.

Yours in Christ,
Father John Worgul
Pastor
