From the Desk of Our Pastor

The Maryland Right to Reproductive Freedom Amendment

As you are undoubtedly aware, I do not involve myself directly in political affairs in our church. My *modus operandi* has been to work toward the formation of our congregation so that we all know and live out Catholic doctrine and leave the voting to the congregation according to their, hopefully, well-formed conscious. A bill is being presented called **The Maryland Right to Reproductive Freedom Amendment**, which we, the Catholic Church, cannot and must not ignore.

What this amendment would do is enshrine abortion in the State Constitution, effectively remove what few restrictions there are, undermine parental rights, and put at risk organizations that support women who choose to have their babies, such as our Pregnancy Support Center in Westminster. This would further set the State in direct conflict with the Church.

We are reliving in our society what Amos dealt with when confronting the paganized King of Israel and his High Priest Amaziah in our readings for this Sunday. This pagan priest warned Amos not to prophesy in the kingdom, but Amos would not be quiet, nor shall we. We see further in St. Paul's famous introduction to the Ephesians, whose city was a famous occult center, that humans are not accidents of nature but called "before the foundations of the world," with purpose, dignified with being adopted by God through Jesus Christ.

In our Gospel reading, Jesus sends His disciples out two by two and gives them authority over the evils of their culture. It is the Church's right and responsibility to form the consciences of our people and, by extension, our culture. Our culture, by and large, lives by subjective impressions driven by emotions. This cannot be sustained without degradation into physical, moral, and spiritual chaos. The church must live by reason, illuminated by revelation, and driven by the love of God demonstrated by Jesus Christ.

Our culture's warped sense of freedom is, in fact, a rejection of others, be they unborn babies or all those who walk among us who are "inconvenient," and especially God, as revealed in Jesus Christ. It cannot help but isolate. It is not mere rhetoric to claim, as Saint John Paul II, that we live in a culture of death. Dear brothers and sisters, we need to spread the word on this; it is time to no longer be quiet.

Yours in Christ,
Father John Worgul

Protect Women: Vote No

A message from the Catholic Bishops of Maryland | 2024

This November voters across the country will cast their ballots in national and local elections. Maryland is one of several states that will ask voters to enshrine abortion into their state constitution.

This is an important time for us to reiterate our commitment to the protection of all human life. We oppose the "Right to Reproductive Freedom Amendment" as it contradicts the fundamental principles of respect for human dignity and the inherent right to life.

Our opposition to this initiative is rooted in our unwavering concern for the well-being of women and children. Abortion not only ends the life of an innocent child but also poses significant risks to the physical, emotional and spiritual health of women.

PERPETUATES THROWAWAY CULTURE

Enshrining abortion into Maryland's constitution would further perpetuate a "throwaway" culture that devalues human life and fails to provide adequate support and alternatives for women facing difficult decisions regarding their pregnancies.

Pope Francis consistently reminds us that "...people are never to be thrown out. The disadvantaged cannot be thrown away. Every person is a sacred and unique gift, no matter what their age or condition is. Let us always respect and promote life! Let us not throw life away."

DIVERTS RESOURCES FROM WOMEN'S WELL-BEING

Enshrining abortion in the constitution would divert attention and resources away from broader efforts to promote women's well-being and address the root causes of abortion. Instead of a sole focus on access to abortion, it is necessary to advocate for comprehensive solutions that provide women with access to healthcare, resources for families, and education and job opportunities.

We must foster a culture of life where every person is valued and supported, and where women facing difficult decisions regarding pregnancy and parenthood feel respected and empowered.

“Our opposition to this initiative is rooted in our unwavering concern for the well-being of women and children.”

RISKS HEALTHCARE WORKER RIGHTS

By enshrining abortion in the constitution, we risk undermining existing protections for religious freedom, conscience rights, and the rights of healthcare providers to practice according to their beliefs.

LIMITS ABILITY TO RESPOND TO NEEDS

A constitutional amendment severely limits legislative flexibility and prevents elected officials from enacting laws that respond to changing circumstances or new evidence related to abortion policy and the protection of women.

The unfortunate reality is that nothing regarding abortion in Maryland would change if this amendment were defeated. Sadly, Maryland has some of the most permissive abortion laws in the country, allowing for abortion at any stage of pregnancy, including right up to the moment of birth.

REJECT BALLOT INITIATIVE

We stand in solidarity with women and children, and we reject the notion that abortion is a solution to the challenges faced by women in crisis situations. It is essential that we pursue solutions that include compassionate support, resources, and alternatives to abortion for women facing difficult circumstances.

We urge voters to reject this ballot initiative and stand with us in upholding the sanctity of all human life, safeguarding conscience rights, and standing in solidarity with women and children in need. Together, let us work towards building a culture of life in which every person is valued, cherished and protected.
