## From the Desk of Our Pastor ....

### Bread of Life Discourse

Hopefully, many of you will remember that we provided a homily series on the Mass during Lent as a part of our Year of the Eucharist. (You can watch it on our website: <https://saintjoseph.cc/the-mass/>) The Church culminated this year with the Eucharistic Procession earlier in the summer and the Eucharistic Congress just last week in Indianapolis. Three of our parishioners, Rachel Wandishin, Chair of our Parish Pastoral Council, Kim Fleming, and Stephanie Guillam, who are very active in women's formation here at SJCC, attended and subsequently have become our Eucharistic Missionaries for our parish. We intend to build upon all this as the Year of the Eucharist comes to a close.

We are about to launch another homily series this week on John chapter 6, the Bread of Life Discourse. John was the last Gospel to be written, possessing a deep and theologically mature presentation of the Eucharist. St. Paul is the earliest witness to the Eucharist in his first Epistle to the Corinthians, written about 53 AD, only 20 years after our Lord instituted it at the Last Supper. Then, the Evangelists, Mark, Matthew, and Luke, present parallel renditions of this institution in the next two decades or so.

When John wrote his Gospel in the 90s, he was guided by the Holy Spirit to center His whole Gospel around the Eucharist, but in a very creative way. He presents 7 major "signs;": the miracle of the wine at Cana, the healing of the nobleman's son, the healing of the paralytic at the Pool of Bethesda, the feeding of the 5000, the healing of the blind man at the pool of Siloam, the raising of Lazarus, and the Crucifixion. The feeding of the 5000 is the 4<sup>th</sup> and central sign, and therefore emphatic.

St. John was writing at a time when "gnostic" thought was beginning to defy the Gospel. This heresy denied the goodness of matter and insisted that Jesus was not God in the flesh. St. John insists, in the boldest possible way, that not only was Jesus God-in-the-flesh but that the Eucharist is, in fact, the very body and blood of Jesus, linking the Incarnation with the Eucharist.

It is very important to understand that Gnosticism attacked the Church in its early days and has made a huge comeback in our age. It is essential to our salvation that we embrace with firm faith the radical teachings of Jesus in this discourse. With God's help, we will truly experience the Eucharist as the "source and summit of our lives."

Yours in Christ,  
Father John Worgul

# Protect Women: Vote No

A message from the Catholic Bishops of Maryland | 2024

This November voters across the country will cast their ballots in national and local elections. Maryland is one of several states that will ask voters to enshrine abortion into their state constitution.

This is an important time for us to reiterate our commitment to the protection of all human life. We oppose the "Right to Reproductive Freedom Amendment" as it contradicts the fundamental principles of respect for human dignity and the inherent right to life.

Our opposition to this initiative is rooted in our unwavering concern for the well-being of women and children. Abortion not only ends the life of an innocent child but also poses significant risks to the physical, emotional and spiritual health of women.

## PERPETUATES THROWAWAY CULTURE

Enshrining abortion into Maryland's constitution would further perpetuate a "throwaway" culture that devalues human life and fails to provide adequate support and alternatives for women facing difficult decisions regarding their pregnancies.

Pope Francis consistently reminds us that "...people are never to be thrown out. The disadvantaged cannot be thrown away. Every person is a sacred and unique gift, no matter what their age or condition is. Let us always respect and promote life! Let us not throw life away."

## DIVERTS RESOURCES FROM WOMEN'S WELL-BEING

Enshrining abortion in the constitution would divert attention and resources away from broader efforts to promote women's well-being and address the root causes of abortion. Instead of a sole focus on access to abortion, it is necessary to advocate for comprehensive solutions that provide women with access to healthcare, resources for families, and education and job opportunities.

We must foster a culture of life where every person is valued and supported, and where women facing difficult decisions regarding pregnancy and parenthood feel respected and empowered.

“Our opposition to this initiative is rooted in our unwavering concern for the well-being of women and children.”

## RISKS HEALTHCARE WORKER RIGHTS

By enshrining abortion in the constitution, we risk undermining existing protections for religious freedom, conscience rights, and the rights of healthcare providers to practice according to their beliefs.

## LIMITS ABILITY TO RESPOND TO NEEDS

A constitutional amendment severely limits legislative flexibility and prevents elected officials from enacting laws that respond to changing circumstances or new evidence related to abortion policy and the protection of women.

The unfortunate reality is that nothing regarding abortion in Maryland would change if this amendment were defeated. Sadly, Maryland has some of the most permissive abortion laws in the country, allowing for abortion at any stage of pregnancy, including right up to the moment of birth.

## REJECT BALLOT INITIATIVE

We stand in solidarity with women and children, and we reject the notion that abortion is a solution to the challenges faced by women in crisis situations. It is essential that we pursue solutions that include compassionate support, resources, and alternatives to abortion for women facing difficult circumstances.

We urge voters to reject this ballot initiative and stand with us in upholding the sanctity of all human life, safeguarding conscience rights, and standing in solidarity with women and children in need. Together, let us work towards building a culture of life in which every person is valued, cherished and protected.
