From the Desk of Our Associate Pastor

Dear Friends in Christ,

If you discovered a cure for cancer, would you keep it secret? If you developed an absolutely effective way for addicts to be delivered from slavery to drugs and alcohol, would you keep it hidden? If you had knowledge of how to achieve immortality, would you tell no one? Christians who are not proclaiming the Gospel and inviting others to follow the Lord Jesus are hiding the good news of the eternal plan of salvation that frees us from sin and death, and so many Christians — particularly Catholics — are keeping the Gospel secret that our entire civilization is in the process of returning to paganism. The remedy for this accelerating collapse of Christian civilization is simple: evangelization. But how do we do this? How do we proclaim the Gospel?

- † By the way we live. Would a perfect stranger visiting our homes, riding in our cars, observing us at work, listening to our conversations, or examining our relationships and patterns of behavior find any evidence that we believe that Jesus Christ is Lord? Do we serve those in need? Do we love our enemies? Do we forgive those who sin against us when they seek mercy? Do we seek to change sinful habits or just surrender to them? Do we bear witness to the Gospel in the public square, the voting booth, the board room, and the bedroom?
- † By the things we think and say. Do we really believe that the Gospel is a supernatural gift of divine revelation to which we are accountable? Do we believe that the Church is Christ's body in which His messianic authority to teach, sanctify, and govern is exercised by the College of Bishops with its head, the Bishop of Rome? Do we surrender all of our thoughts and feelings, words and deeds to the judgment of Christ and His Church by shaping our lives according to the Gospel — including, especially, the parts of Catholic teaching we find most difficult to accept?
- † By the way we worship. Do we keep the Lord's Day holy by participating fully in Mass every Sunday and holy day of obligation? Do we pray each day and give our hearts to the Lord? Do we read and study Holy Scripture? Do we take seriously the promises of our Baptism and Marriage? Do we confess our sins regularly in the Sacrament of Penance?
- † By inviting others to follow Christ. Do we share our faith and teach others that Jesus Christ is Lord? Do we ask others to join us in divine worship? Are we ready to be embarrassed by speaking of the deep things of the human heart and the truth of the Gospel? Do we call others to conversion from sin by teaching the more excellent way of divine love revealed by the life, Death, and Resurrection of Jesus Christ?

Praised be Jesus Christ, now and forever!
 Father Patrick

The Year of Formation 2024 - 2025

Did you know there are six components of Catholic formation: (1) to promote knowledge of the faith, (2) to promote knowledge of the meaning of the liturgy and the sacraments, (3) to promote moral formation in Jesus Christ, (4) to teach us how to pray, (5) to prepare one to live in community, by participating actively in the life of the Church, and (6) to promote a missionary spirit that is outward looking to society. These components are represented in our SJCC vision statement: *“Embracing Christ’s Life & Reflecting His Love.”* How are you being formed? How can SJCC accompany you in the Year of Formation?

Want to become Catholic?

If you are interested in learning more about the Catholic faith, are a Catholic in need of Confirmation, or if you or someone you know is interested in becoming Catholic. Join us for a gatherings in the Tonry Room on Thursdays and begin at 6:30 pm.

Protect Women: Vote No

A message from the Catholic Bishops of Maryland | 2024

This November voters across the country will cast their ballots in national and local elections. Maryland is one of several states that will ask voters to enshrine abortion into their state constitution.

This is an important time for us to reiterate our commitment to the protection of all human life. We oppose the "Right to Reproductive Freedom Amendment" as it contradicts the fundamental principles of respect for human dignity and the inherent right to life.

Our opposition to this initiative is rooted in our unwavering concern for the well-being of women and children. Abortion not only ends the life of an innocent child but also poses significant risks to the physical, emotional and spiritual health of women.

PERPETUATES THROWAWAY CULTURE

Enshrining abortion into Maryland's constitution would further perpetuate a "throwaway" culture that devalues human life and fails to provide adequate support and alternatives for women facing difficult decisions regarding their pregnancies.

Pope Francis consistently reminds us that "...people are never to be thrown out. The disadvantaged cannot be thrown away. Every person is a sacred and unique gift, no matter what their age or condition is. Let us always respect and promote life! Let us not throw life away."

DIVERTS RESOURCES FROM WOMEN'S WELL-BEING

Enshrining abortion in the constitution would divert attention and resources away from broader efforts to promote women's well-being and address the root causes of abortion. Instead of a sole focus on access to abortion, it is necessary to advocate for comprehensive solutions that provide women with access to healthcare, resources for families, and education and job opportunities.

We must foster a culture of life where every person is valued and supported, and where women facing difficult decisions regarding pregnancy and parenthood feel respected and empowered.

“Our opposition to this initiative is rooted in our unwavering concern for the well-being of women and children.”

RISKS HEALTHCARE WORKER RIGHTS

By enshrining abortion in the constitution, we risk undermining existing protections for religious freedom, conscience rights, and the rights of healthcare providers to practice according to their beliefs.

LIMITS ABILITY TO RESPOND TO NEEDS

A constitutional amendment severely limits legislative flexibility and prevents elected officials from enacting laws that respond to changing circumstances or new evidence related to abortion policy and the protection of women.

The unfortunate reality is that nothing regarding abortion in Maryland would change if this amendment were defeated. Sadly, Maryland has some of the most permissive abortion laws in the country, allowing for abortion at any stage of pregnancy, including right up to the moment of birth.

REJECT BALLOT INITIATIVE

We stand in solidarity with women and children, and we reject the notion that abortion is a solution to the challenges faced by women in crisis situations. It is essential that we pursue solutions that include compassionate support, resources, and alternatives to abortion for women facing difficult circumstances.

We urge voters to reject this ballot initiative and stand with us in upholding the sanctity of all human life, safeguarding conscience rights, and standing in solidarity with women and children in need. Together, let us work towards building a culture of life in which every person is valued, cherished and protected.
