From the Desk of Our Pastor

Dear Friends in Christ,

This week we're celebrating the Feast of the Anniversary of Dedication of this parish church. According to the mind of the Catholic Church, a building that has been solemnly dedicated, consecrated, set apart for divine worship, is of itself a cause for celebration, gratitude, and an annual expression of rejoicing. It's an occasion for us to thank God for His gift to us of our Church, and also to commit ourselves once again to receive this gift as worthily as we can: in resolute fidelity; in holiness of life; in authentic worship, offered here in the power of the Holy Spirit, through Jesus Christ our Lord.

To that end, it's good to consider what it means to be part of the community that worships here:

1. If you regularly attend Mass here but are not registered, then you are not an active parishioner.
2. If you are registered but do not attend Mass here each Sunday, then you are not an active parishioner.
3. If you are registered and attending Mass but not supporting the parish according to your means, then you are not an active parishioner.
4. If you are contributing to the parish but not coming to Mass here, then you are not an active parishioner.

All three of these components — Mass attendance, registration, and support — are essential to being considered an active parishioner in any parish. Only active parishioners are eligible to ask for Baptism, Confirmation, Marriage, and service as a sponsor for Baptism or Confirmation, and yet we regularly receive requests for exactly these things from those who do not meet all three criteria for being considered an active parishioner.

If you know someone who needs to hear and understand these facts about being an active parishioner at any Catholic parish, please find a way to approach the subject with kindness and clarity, and explain the consequences of these principles. For example:

- † No Catholic can belong to two parishes. Claiming to belong to one parish while attending Mass at another is simply impossible and is a form of self-deception.

Continues on page 4

Continued from page 3

† Grandparents have no standing to ask for sacraments for their grandchildren or to provide parishioner status for their grandchildren. Only parents of children are eligible to do these things, and when parents are not practicing the Catholic Faith but the grandparents are, this can be particularly hard to accept.

† **Serving as a sponsor for Baptism or Confirmation is not a social honor**, though it is often treated as that. Such service is a sacred duty which may not be undertaken by anyone who is not truly practicing the Catholic Faith, and the birth of a sibling's or friend's child is too late to qualify for the privilege of serving as a sacramental sponsor.

Put most simply: there is no place for minimalism in the Way of the Cross.

Protect Women: Vote No

A message from the Catholic Bishops of Maryland | 2024

This November voters across the country will cast their ballots in national and local elections. Maryland is one of several states that will ask voters to enshrine abortion into their state constitution.

This is an important time for us to reiterate our commitment to the protection of all human life. We oppose the "Right to Reproductive Freedom Amendment" as it contradicts the fundamental principles of respect for human dignity and the inherent right to life.

Our opposition to this initiative is rooted in our unwavering concern for the well-being of women and children. Abortion not only ends the life of an innocent child but also poses significant risks to the physical, emotional and spiritual health of women.

PERPETUATES THROWAWAY CULTURE

Enshrining abortion into Maryland's constitution would further perpetuate a "throwaway" culture that devalues human life and fails to provide adequate support and alternatives for women facing difficult decisions regarding their pregnancies.

Pope Francis consistently reminds us that "...people are never to be thrown out. The disadvantaged cannot be thrown away. Every person is a sacred and unique gift, no matter what their age or condition is. Let us always respect and promote life! Let us not throw life away."

DIVERTS RESOURCES FROM WOMEN'S WELL-BEING

Enshrining abortion in the constitution would divert attention and resources away from broader efforts to promote women's well-being and address the root causes of abortion. Instead of a sole focus on access to abortion, it is necessary to advocate for comprehensive solutions that provide women with access to healthcare, resources for families, and education and job opportunities.

We must foster a culture of life where every person is valued and supported, and where women facing difficult decisions regarding pregnancy and parenthood feel respected and empowered.

“Our opposition to this initiative is rooted in our unwavering concern for the well-being of women and children.”

RISKS HEALTHCARE WORKER RIGHTS

By enshrining abortion in the constitution, we risk undermining existing protections for religious freedom, conscience rights, and the rights of healthcare providers to practice according to their beliefs.

LIMITS ABILITY TO RESPOND TO NEEDS

A constitutional amendment severely limits legislative flexibility and prevents elected officials from enacting laws that respond to changing circumstances or new evidence related to abortion policy and the protection of women.

The unfortunate reality is that nothing regarding abortion in Maryland would change if this amendment were defeated. Sadly, Maryland has some of the most permissive abortion laws in the country, allowing for abortion at any stage of pregnancy, including right up to the moment of birth.

REJECT BALLOT INITIATIVE

We stand in solidarity with women and children, and we reject the notion that abortion is a solution to the challenges faced by women in crisis situations. It is essential that we pursue solutions that include compassionate support, resources, and alternatives to abortion for women facing difficult circumstances.

We urge voters to reject this ballot initiative and stand with us in upholding the sanctity of all human life, safeguarding conscience rights, and standing in solidarity with women and children in need. Together, let us work towards building a culture of life in which every person is valued, cherished and protected.
