## From the Desk of Our Associate Pastor...

Dear Friends in Christ,

Christmas was 40 days ago, and that's why today is the Feast of the Presentation of the Lord. According to Jewish custom, described in Leviticus 12, every woman who gave birth required a ritual purification, and a sacrifice was to be offered to mark the new mother's return to the regular practice of prayer. Luke's Gospel tells us that Joseph and Mary went to the Temple in Jerusalem to fulfill this precept of the Law, and there they encountered two faithful children of Israel in prayer, awaiting the arrival of the Messiah. Simeon and Anna stand for all who will accept Christ Jesus as Lord and Savior and acclaim him "a light for revelation to the Gentiles and glory for your people Israel." Simeon also foretells the share that Mary will have in the suffering of her Son, and so the mysteries of Christ's Birth and Death are joined together in the Temple — the dwelling place of God on earth and the privileged place of sacrifice for the forgiveness of sins. Thus is the New Covenant hidden in the Old and the Old Covenant is revealed in the New. And the place where the Old Covenant is fulfilled and the New Covenant is begun is none other than the heart of the Blessed Virgin Mary, Mother of God and Mother of the Church.

Also on this day, candles are blessed for use in the sacred liturgy because Christ is Light from Light and true God from true God. For this reason, the Feast of the Presentation of the Lord is also known as Candlemas: a title for this celebration which began in Jerusalem in the 4th century, making it one of the most ancient feasts in the Christian liturgy. On this day we pray that the brightness of the candles we use in divine worship will awaken in our hearts the uncreated brilliance of Christ's perpetual light so that all people will see the light of His glory reflected in the holiness of His Church.

Finally, in 1997, Pope Saint John Paul II began a yearly Day of Prayer for Consecrated Life which he attached to the Feast of the Presentation. Christian men and women who profess the Evangelical Counsels of poverty, chastity, and obedience are imitating both the holy witnesses of Israel — Simeon and Anna — and following the example of the Blessed Virgin Mary, who placed her entire life at the service of the Lord and His Word. We are blessed to have the witness of the Conventual Franciscan Friars at St Anthony's Shrine, who remind Christians of the need to surrender our entire lives in the obedience of faith to Christ the Lord. Let us pray for vocations for the priesthood and the consecrated life, asking the Lord to call young men and women from this parish to give themselves without reservation or compromise to the proclamation of the Gospel.

**The Power of Eucharistic Adoration**

One of the most admirable effects of Holy Communion is to preserve the soul. From sin, and to help those who fall through weakness to rise again. It is much more profitable, then, to approach this divine Sacrament with love, respect, and confidence, than to remain than to remain away through An excess of fear and scrupulosity.

-St. Ignatius Loyola

## Stewards Tested

*“Because he himself was tested through what he suffered, he is able to help those who are being tested.”*  
- Hebrews 2:18

When we join a support group, there is comfort in sharing our pain with people who have experienced the same thing; they understand what we are going through. The next time you experience suffering, talk to Jesus. He has experienced more suffering than most of us, He understands. Plus, Jesus knows us better than we know ourselves. Only He can fill the hole Stewards feel in their hearts.

## ARE YOU INTERESTED IN THE OUTDOORS, GROUP FUN, AND MAKING NEW FRIENDS?

Join Scouting with Troop 883 at Saint Joseph Catholic Community Pack 883 for boys or girls in grades kindergarten to fifth OR Troop 883B for Boys or Troop 883G for Girls.  
(Ages 11 to 17)

Why Scouting? Scouts try new things. Scouts provide service to others. Scouts builds self-confidence. Scouts reinforce ethical standards.

Yes, scouting happens primarily in the outdoors. There are challenges like hiking 10 miles, setting up a tent, learning to build fires, cooking over an open flame, paddling a boat 5 miles in the open ocean, climbing a 12,441 foot mountain in New Mexico, surviving cold weather in Minnesota, and more.

Our scouts do things that are physically, mentally and spiritually challenging. But there is so much more than the outdoor program. Scouts learn leadership, teamwork, and personal responsibility. Scouts collect food for the needy, put flags on veteran's graves, help with parish activities, clean up the environment. They work on religious activities. Scouts complete merit badges, learning new skills and developing habits to promote lifelong learning. Our scouts have learned to weld, canoe, design games and program robots. They have made movies, and learned first aid. They work on citizenship, communication, set financial goals, and fitness. They learn project management skills while providing a service for the community.

Boys and girls are welcome in Scouting. While the troops do some activities together, Scouts participate in separate adventures for boys and girls—like camping, day trips and service projects.

Find out more by attending a pack meeting (ages kindergarten to fifth grade) on the 2nd, third, and fourth Fridays at 6:30 pm in McGivney Hall or email [mjkrok@gmail.com](mailto:mjkrok@gmail.com).

Find out more by attending a troop meeting (ages 11 to 17) on Mondays at 7 pm.

Chronic pain makes life incredibly difficult. Whether it's numbness or tingling from neuropathy, the burning sensation of sciatica, or the stiffness and aching in your joints from arthritis, we are here to help.

Our emphasis is in difficult-to-treat conditions and our goal is to get you back to living a life you love with less or no pain.

By blending the time-tested wisdom of acupuncture with modern medical innovations, we pioneer non-pharmaceutical and non-surgical solutions that actually TREAT your symptoms.

"I am so grateful that I came to Patapsco Acupuncture. I was feeling so weak, pushing on, and worried about ending up in a wheelchair. Now, I have hope again. I know healing is a process, but already I am feeling so much better. The staff at Patapsco Acupuncture have been so supportive and I am so glad I found them." -- Beth R.
